9 **RESOLUTION**

10 **Intent to Reevaluate the entrance to Home Football Games**

11 (Decided: [Y/N/A])

12  
13 **Nature of the Problem:**

14  
15 In regards to the new football ticket gate entrance system, there have been excessive delays  
16 getting into Beaver Stadium for student ticket holders for Penn State home football games.  
17 Before this past Saturday's first home football game against Coastal Carolina, there were  
18 reportedly several thousand students who faced significant delays in excess of an hour  
19 before being able to get into the Beaver Stadium student section. Taking into account the  
20 amount that students pay for a ticket to the game, it is inappropriate that they miss an  
21 entire quarter or more of the football game. It should be recommended that there need to  
22 be changes made to support a more efficient model for entrance into the games.

23  
24 **Recommended Course of Action:**

25  
26 The UPUA is recommending that the entrance system be reevaluated in such a way that the  
27 first gate of entrance be eliminated. Also, UPUA is strongly recommending that the gates be  
28 better staffed at the entrance into the student section for a more efficient entry.
