

Resolution # 16-08

The University Park Undergraduate Association (UPUA)
The Pennsylvania State University

2008 - 2009 Session
November 19, 2008

Be it Enacted by the Association, having been brought to the floor by 2/3rds vote.

Resolution

Request for Funds for THON Event Expenses
(Decided: [25/3/7])

Nature of the Situation:

The THON subcommittee has been planning a flag football tournament with all of the proceeds benefiting THON. The event is to take place on December 6th and will require funds to advertise the event and provide some amenities to the participants. Many local businesses and stores haven been contacted for food and drink donations as well as hand warmers. With less than 3 weeks to go before the event, the committee has secured food and hot drinks, but has not received anything for water or hand warmers. As of November 19th, no teams have registered for the event.

Recommended Course of Action:

The assembly should allocate \$300.00 to the subcommittee to cover the cost of a small advertising campaign, water, and hand warmers. It is important to note that the subcommittee will not stop soliciting vendors for donations because of the allocation of this money. If donations can be secured, the remaining funds not spent on advertising will be dutifully returned to assembly's account.

Respectfully submitted,

Sean Leonard,
Off Campus Representative
